

{Em} POWER A PONY^{therapy}

SPONSORSHIP PROGRAM

Since 1999, Quest Therapeutic Services, a **full-time not-for-profit**, has provided **exceptional pediatric therapy services** to enhance the lives of children with special needs in the Delaware Valley. Licensed physical and occupational therapists, as well as speech and language pathologists, provide a full range of pediatric services creating an opportunity for our patients to reach their full potential.

Serving over 125 children per week, year-round, our 10 hardest working staff members have four legs, are the major role in over **5,200 hippotherapy sessions**, consume roughly 1,100 bales of hay and require a *minimum* "salary" of \$19,800.

Our equine expenses include grain, hay, bedding, supplements, farrier (hoof care), biannual vaccinations and check-ups, chiropractic and dental care for each of the 10 ponies who call Quest "home".

We are asking reputable, valued community businesses to agree to a tax-deductible donation in **one of 10 opportunities to sponsor** a Quest hippotherapy pony.

Our goal is to continuously advance pediatric therapies through teaching, research, clinical partnerships and education throughout our community and our profession as a whole. We thank you for your consideration to support our ongoing efforts.

Quest ponies provide hippotherapy to children with:

*Cerebral Palsy
Autism*

*Down Syndrome
Low Muscle Tone*

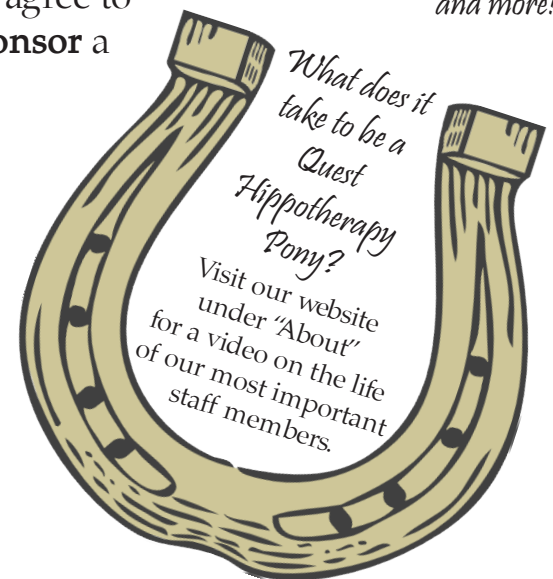

*Developmental Delay
Muscular Dystrophy*

*Speech Delay
Spina Bifida*

*Genetic Syndromes
Cystic Fibrosis*

*Angelman Syndrome
ADD/Hyperactivity*

and more!
